GRADUATES OF 1960:

You are the vanguard in a new era of living set apart by technological developments and man's ability to reach beyond the confines of the earth. To this point you are morally obligated to assume your responsibilities sanely, energetically, and with a high degree of integrity.

Many, undoubtedly, are to take formidable parts in the direction of our course scientifically, politically, intellectually, and militarily. The majority will pursue their vocational interests to varying degrees and constitute the great consuming public. Life should be full of rich expe-riences.

Let us so prepare that our individual worlds will be rewarding.

S. H. Thompson Jr.

OUR COUNSELORS

TO THE CLASS OF 1960:

As you leave the protecting walls of Sumner High, you will enter a bewildering world of complex problems. Whatever value-systems we have succeeded in helping you develop you will need in order to evaluate wisely, society's powerful "thought controls."

The challenge is yours to accept only the highest social, civic, moral, and ethical standards.

... OUR FRIENDS

TO THE CLASS OF 1960:

As we stand at the beginning of a new decade, we look forward to a new era of human achievement. We cannot fully delineate the nature of this achievement, for we do not yet know how great is man's ultimate capacity.

As we determine our contribution to progress, it is important to remember that this dynamic new America will continue to offer new opportunities, whether or not we, as individuals, do our part, and that the rewards will go to the well prepared, the sincere, the intelligent.

E. A. TAYLOR

E. A. Taylor, teacher extraordinary, shaped the lives of countless boys and girls who passed through his classes. He came to Sumner in 1923 from Louisville, Kentucky, and retired to his "one-tree pecan ranch" in Houston, Texas, after the 1958-59 school year. Mr. Taylor reports that he thoroughly enjoys his leisure but misses the bee-like activity of school life.

A NEWS STORY

E. A. Taylor Is Veteran of 34 Years in School and Community; Behind Record, Many Achievements

(Mr. E. A. Taylor is convalescing in the Douglass Hospital from an injury sustained while at school. This article, however, was in preparation prior to his accident and hospitalization.—Ed.)

By Aquila Crawford

Mr. E. A. Taylor of our excellent faculty is a man of many accomplishments and experiences.

He was born in Houston, Texas, some years ago to Mr. and Mrs. John Daniel Taylor. The elder Taylor was a supervisor of private railroad cars. He died in 1897 at the age of forty-nine.

Since his father's death, Earl has come a long way.

He attended grade and high school in his home town. He graduated from Houston Colored High School in 1911, entered Wilberforce University in Ohio and from there graduated in 1915 with a B.A. degree. (Mr. Taylor, however, had a small financial problem, so his degree was withheld until his payments were concluded.)

Two years later he began teaching at Edward Waters College, an A.M.E. school in Jacksonville Florida. He taught French and Latin, happily commencing his long career.

It was one year later in April of 1918 that he was called to the service of his country via the U.S. Army. He was there eight months and five days, six weeks as a private and three and a half months in Officers Training School. The remainder of the time was spent as a second lieutenant. (He was discharged with that rank, incidentally.)

The year 1918 was a big year for Earl, for he also received his M.A. degree from Columbia University having majors in Latin and Ancient History.

He then accepted the principalship of a Mound City, Illinois, high school where he doubled as a teacher of physics and Latin. He faithfully endured for five years, going one complete term without pay.

After Mound City, he went to Louisville, Kentucky, in 1922 and taught five classes of Latin for one year.

In 1923 Mr. Taylor embarked on his long career at Sumner High and has been here since. When he began teaching at Sumner, he taught American history, physiology, biology and zoology. He is chairman of the Honor Society chapter and Scholarship committees and sponsor of school plays.

Mr. Taylor is well known for his excellent directorship of plays. He has directed as many as three plays in one year. His interest in drama was not developed at Sumner, but back at Houston during childhood. He and his friends liked plays so much that they converted an old barn into a crude and awkward but performable stage.

After childhood he still maintained his interest in plays by going to New York to perform in the first all-Negro cast in history to play a serious drama on Broadway. The play was called "Simon the Cyrenian." In this, he played the part of a Roman soldier. It was presented in the Garden Theater in April, 1917.

His major hobby now is reading plays. Others include swimming and photography, outgrowth of a brief course he took at Minnesota University.

Mr. Taylor's career at Sumner has been one of long and extended service to the school, the faculty, hundreds and hundreds of students and parents of this community. To list here outstanding graduates and former students who came to him would be impractical for there are too many.

Mr. S. H. Thompson, our principal, says of him:

"Mr. Taylor is probably one of the most highly respected teachers as well as a person in both the school and community. He is recognized as an authority in his field, which is biology, and a complete enthusiast in any activity connected with Sumner high school. Over the years that he has been here, he has served as director of many plays, a type which soon became known as the 'Taylor-made' plays. His attention to the most minute details was possibly the key to a part of his successes.

"Since his absence during his illness, his importance to the total school program has been forcibly brought to our attention."

FOOTBALL SEASON REVIEW

SEPTEMBER 18--A 43-yard pass from fullback Chuck Payne to end Walter Bailey gave the Spartans a victory as Sumner took a 14-12 lead over the host Lincoln Tigers with 31 seconds remaining in the game.

The Spartans scored first in the game when quarterback William Perry plunged from the 4-yard line.

Lincoln collected her touchdowns in the second and third quarter respectively on a 21-yard pass from Tiger quarterback Jerome Gilbert to teammate Harvey Cain and an interception by J. Hatche.

SEPTEMBER 25--Sumner tasted her first defeat of the season as Wichita Kapaun took a 38-0 win on the local field.

Spartan quarterback William Perry was ejected from the game in the second quarter and the Sumner attack virtually ceased to exist thereafter.

The Crusaders scored immediately in the first period after recovering a Sumner fumble. The touchdown was made by Mike Knolla on the visitor's second play of the game.

Maurice Parks, versatile end-quarterback, led the team to within scoring distance in the last minutes of the game.

OCTOBER 6--Defeat hit Sumner again as the locals were downed 6-13 by Christian Brothers Golden Eagles on a rain-soaked Spartan field.

Sumner's tally was pushed across with four minutes left in the first quarter. Quarterback Bill Perry plunged from the 2 after runs by John Collins, Ron Holly, and Chuck Payne put the ball on the 5.

Mike Harris, Golden Eagle fullback, went over from the 5 early in the first quarter to climax a 64-yard drive. He cracked six yards into the end zone midway in the second period to cap a 69-yard effort.

OCTOBER 9--Ronald Holly was the only spark in the Spartan backfield as Sumner lost 6-47 to the St. Joseph Military Academy in Hays, Kansas.

Holly's tally came late in the last period.

OCTOBER 23--The Spartans edged the Paola Panthers 7-6 in Sumner's homecoming.

Panther Jerry Shineman ran his team's touchdown in the second quarter to give the visitors a 6-0 halftime lead.

Charles Payne's 88-yard race for a touchdown and Robert Harper's conversion gave Sumner a come-from-behind victory.

OCTOBER 30--Sumner ended her campaign on the Iola Mustang's field as the host came from behind to win 22-12.

The Spartans led 12-2 at halftime due to an 87-yard run by Drector Collins and Ronald Holly's quarterback sneak in the second quarter.

Iola's Spencer King ran around right end from the 11 to score a touchdown in the third quarter and plunged for two more in the fourth. The PATS were scored by Tell Copening and John Immal. The winners managed to trap Collins behind the goal line for a safety in the second period.

Seniors wearing the Spartan colors for the last time were Maurice Parks, William Perry, Charles Payne, Walter Bailey, Willis Shields, Alonzo Jackson, William Collins, Virgil Jones, John Rice, Benjamin Wakefield, Rueben Wooten, and Robert Jenkins.

NO PLACE TO GO- -Bill Perry finds Paola's players coming from right and left as he carries the pigskin in the thriller that Sumner won 7-6. Other identifiable Spartans are Jim Brown, Willis Shields (70) Edward Walton (63), and Brand Montgomery (50). (October 23)

A MUDDY GRIDIRON--A rain-soaked Spartan field was the playground for this game. Sumner was downed, 13-6, by Christian Brothers. (October 6)

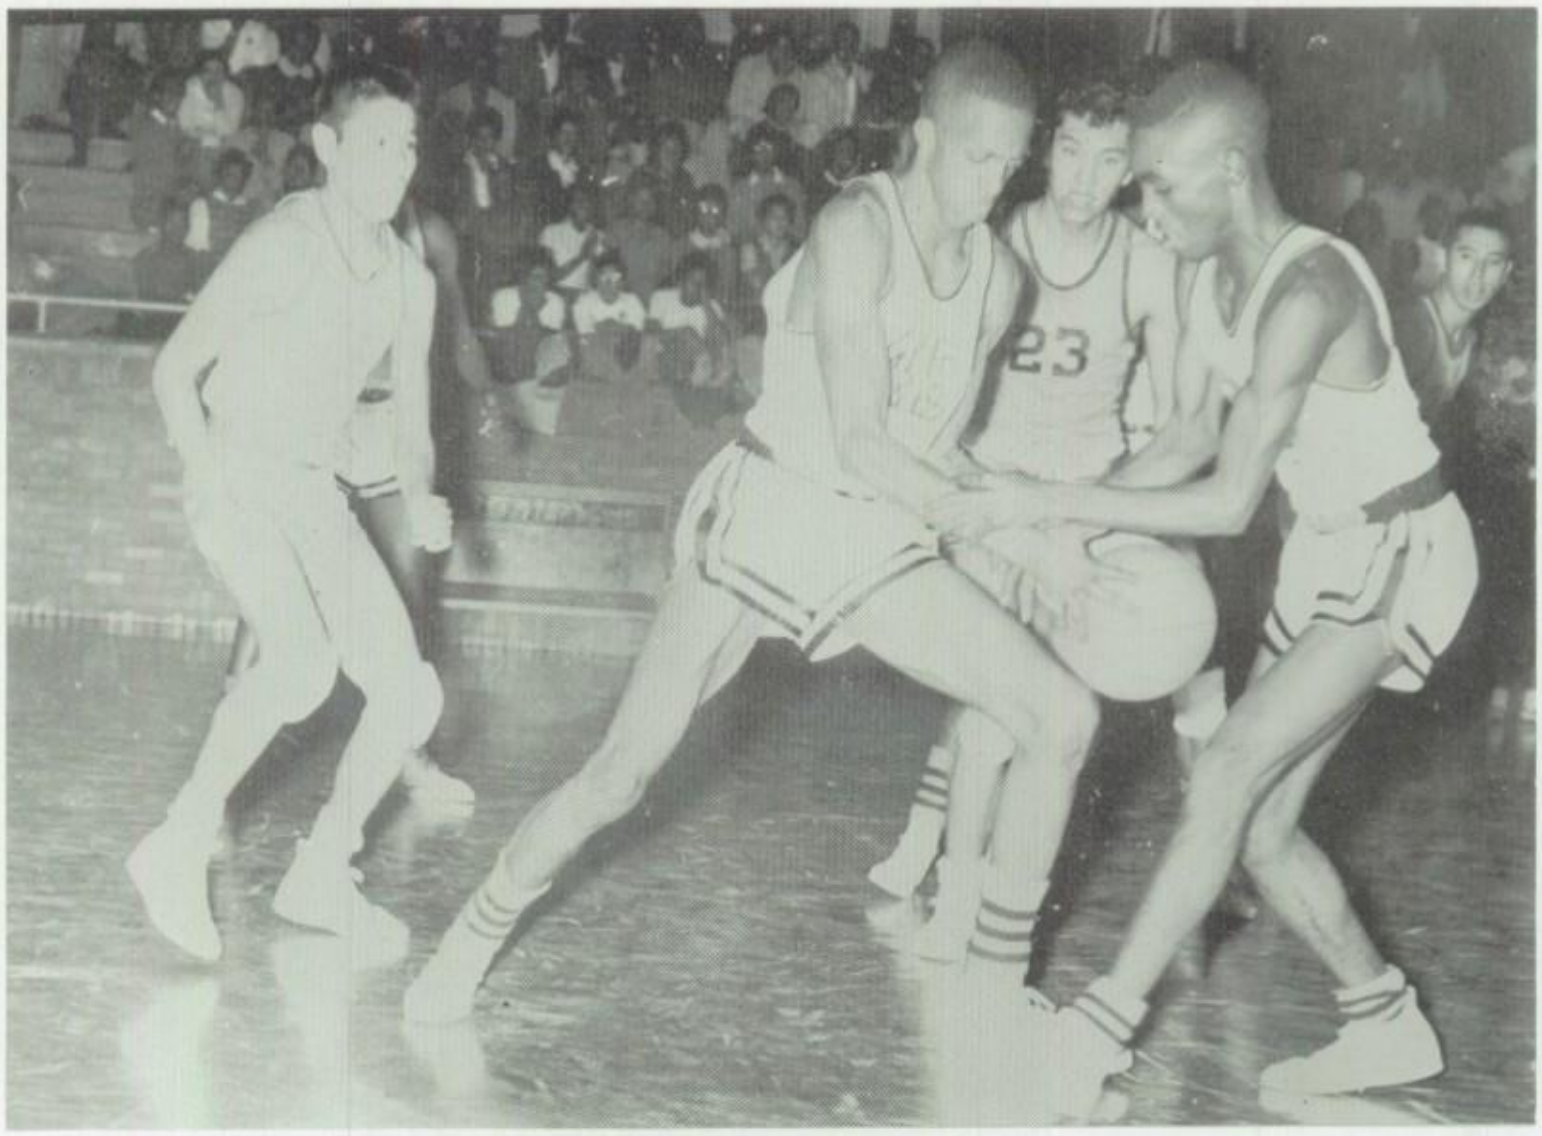
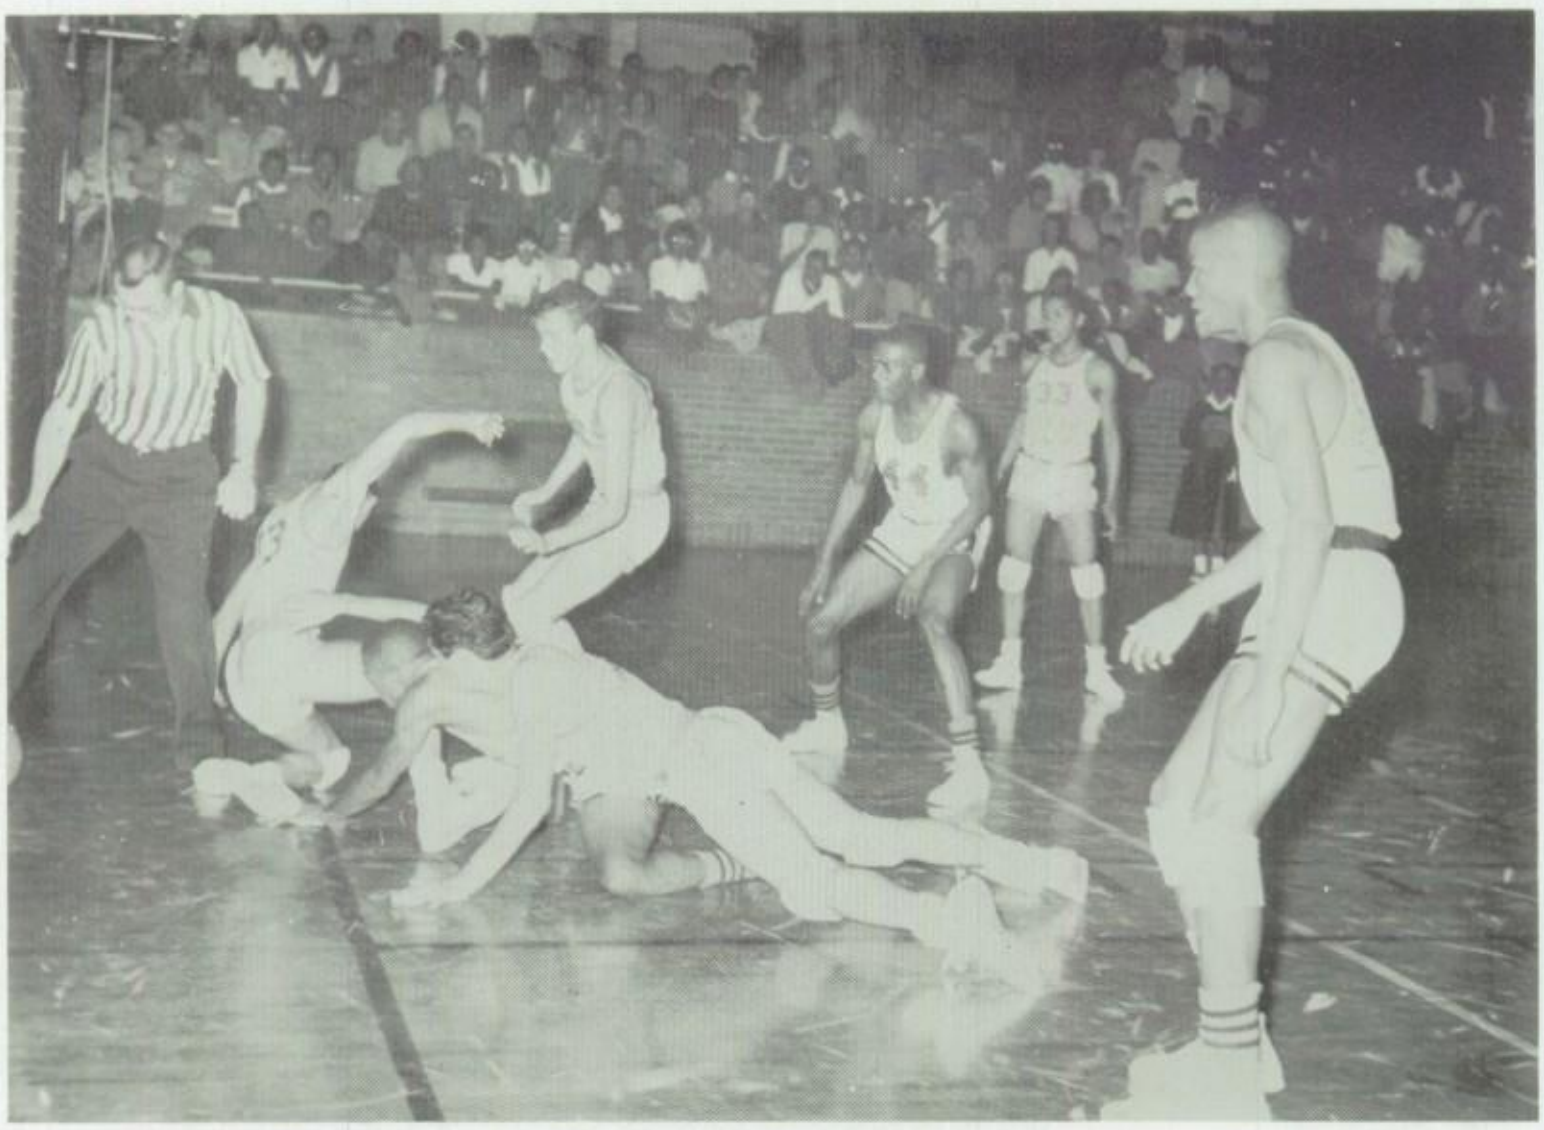
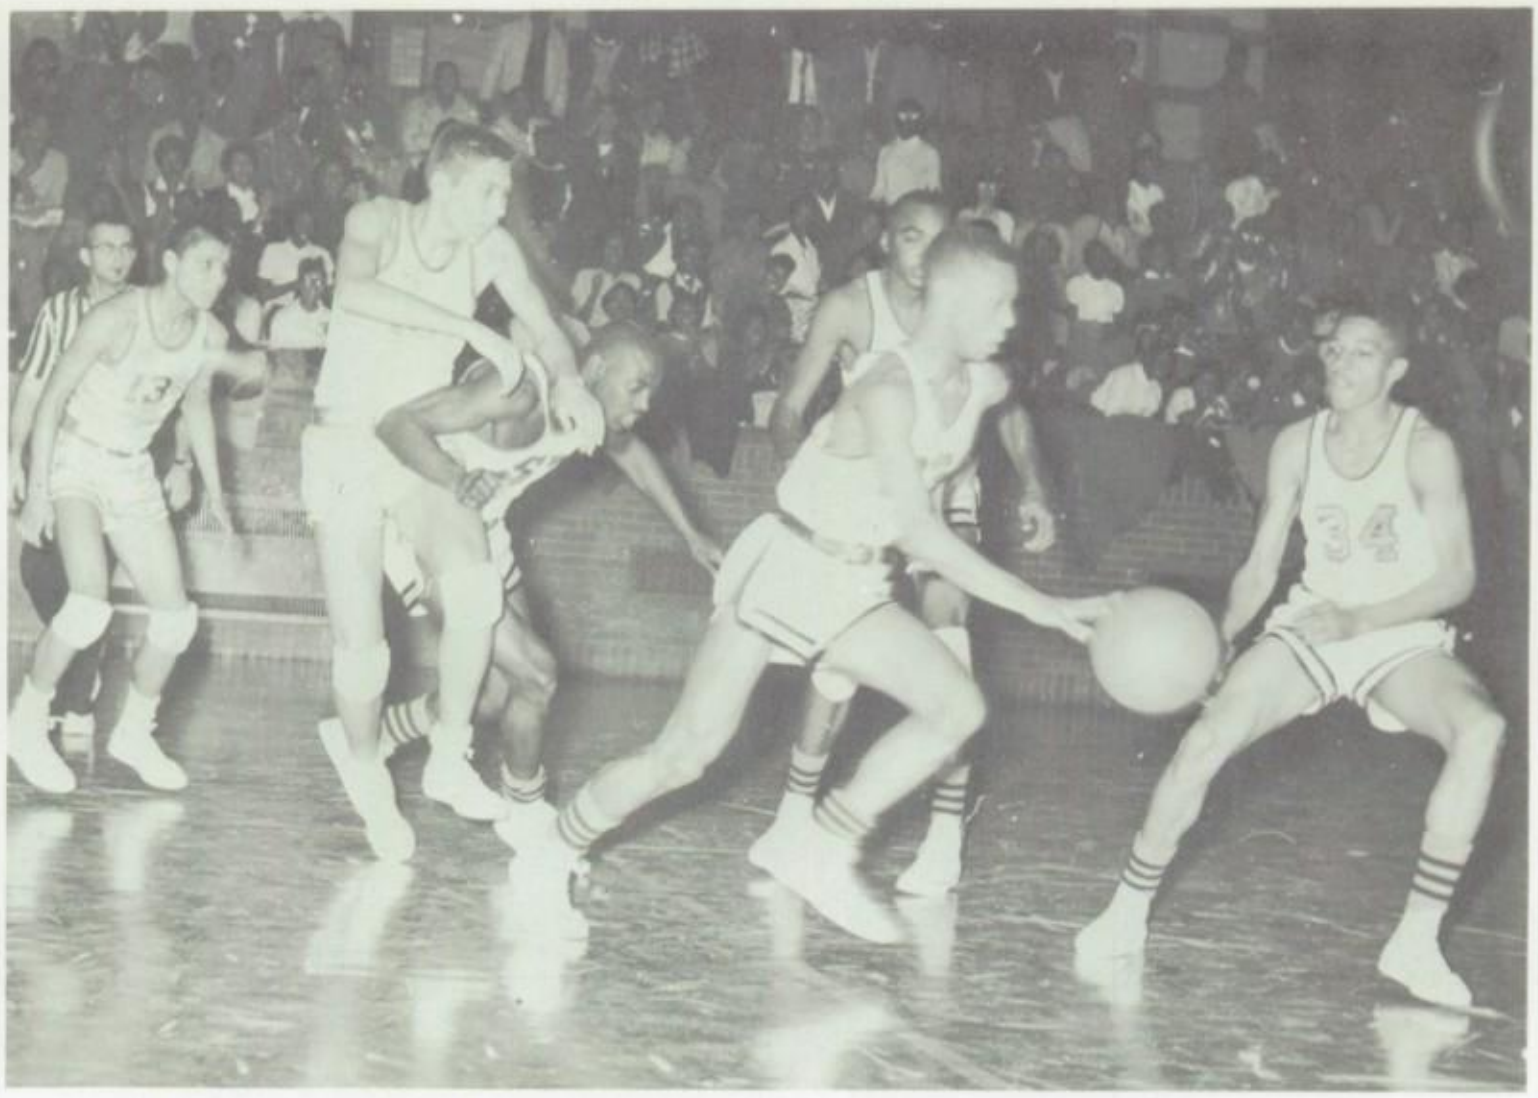
RESERVE SQUAD--Losing five seniors means probably use of these reserves in building the 1960-61 Sumner ball club. (reading left to right) Andrew Smith, Clifford Hobbs, Melvin Estell, Drector Collins, Richard Dumas, Sylvester Wimbly, Erving Williams, Wayne Bayliss, James Brown, Ernest Malone, and coach Gerald Hall. (kneeling) Jerry McNeal, manager.



OPENER--Sumner opened its campaign by defeating Haskell, 69-56. Here, William Perry (45) and Odias Brewer set up the play as the mystified eyes of Cecil Grouge (41) and Ed Juneau (23) look on.



IT'S ANYBODY'S BALL--William Perry, Ed Juneau and Ken Taylor fight desperately for control of a loose ball while basketeers Leonard Harris (35), Bill Coleman (44), Edward Coon, and Lemuel Norman (right) watch.



GO, PLUMMER, GO!--Louis Plummer dribbles past Alex Doore (15) after using Charles Payne (53) as a screen. Others in the action are Ken Taylor (13), Bill Collins, and Herman Watson (34).

WHAT'S UP--A completed basket by Lincoln's Harvey Cain (35) accounts for the weary faces of Spartans Bill Coleman (44), Lemuel Norman (54), Samuel Cofield, and Herman Watson. Sumner won the match, 56-54, in a double overtimer. (January 22)

PERRY SETS--William Perry (45) sets to fire as Jack Gipson (21) moves in on defense. Odias Brewer (23) and Bob Jenkins look on.

B-TEAM CHEERLEADERS- Cheering our B-team boys on to victory is the objective of these girls. They are sponsored by Miss Benekin.

POSING PRETTY- The majorette corps is captured by the photographer in this practice formation. Captain Bertra Pleas and Dorla Shepherd, co-captain, pose in center.

MARCHING TOGETHER--Marching briskly together in the American Royal Parade are (left to right) Dorether Welch, Marie Harris, Gail Poindexter, Future Welch, Frances Jackson, and Rose Thierry.

HOOKING TIGER--Lemuel Norman fails in an attempt to stop a hooker by Jerome Gilbert, Lincoln ace. Waiting for a doubtful rebound are William Coleman (44) and Herman Watson (34).

HE AIN'T OVER THERE!--Odias Brewer (23) and Lemuel Norman's attention seems to be away from the action as Argentine's James Jenkins (35) controls the ball near Bob Jenkins (14) and Jack Gipson (21). Sumner lost this one, 52-42. (February 2)

WE DID IT AGAIN--Coaches Gerald Hall, Bernard Bennet, and Edward Beasley go to congratulate the team after a successful encounter with Maur Hill.

TALK IT OVER BIG TEAM--Tom Rhone's basketeers talk it up during halftime of the Sumner-Maur Hill game as the Spartans led 37-19. (February 12)

SPARTAN '62--Boasting a 13-3 season record are the members of 1959-60 sophomore basketball team. They are (left to right) John Collins, William Owens, Tom Nash, Donald Hibler, Melvin White, Bertram Caruthers, Adolphus Favors, and Maurice Holman.
